

WHAT IS 10 TO THE 6th IN 10?

An easy way for anyone to help the 46 million orphan children of Africa.

Show the ReclaimKids DVD to 10 friends and ask each to bring \$1.

Then those 10 friends show it 10 friends and each of them brings \$1; that is \$100!

You just provided schooling, food and clothing to an orphan child for 3 months!

You changed the world for that child!

NOW, if those 10 friends show it to 10 friends, in 10 days, who show it to 10 x 10, that would raise

\$1 MILLION FOR THE CHILDREN OF AFRICA! IN JUST 10 WEEKS

You just provided a month of schooling, food and clothing to 23,000 orphan children!

Also, while you helped the children of Africa you also provided youth in your community, maybe even YOU, with funds to travel to Africa to work with the children you are helping.

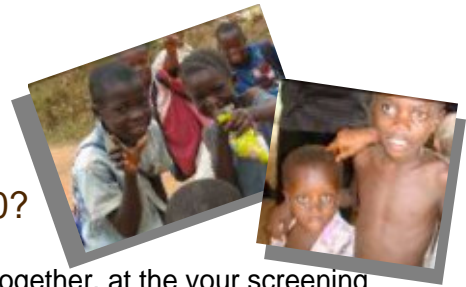

If your city/state kept 10 to the 6th going to the power of 6,
80 YOUTH FROM YOUR CITY WILL GO TO AFRICA TO WORK WITH THE CHILDREN!

HOW DO I GET INVOLVED?

- Order the ReclaimKids DVD at ReclaimKids.org/Action and click on FREE DVD or view it on-line. The actual DVD will have better quality but the on-line version will work in a pinch.
- Plan a DVD Screening Party location and date. Plan to have the DVD about a week in advance of the screening to avoid mishaps. Watch it before your friends so you understand the African orphan crisis.
- Invite 10-12 friends who you think would donate \$1 and have a passion to help the children of Africa; ideally one adult should collect funds. Adults also usually can afford to bring serious junk food!
- Host a ReclaimKids DVD Screening Party and start feeling really good about helping African children.
- Collect \$1 from each friend. If some friends don't have \$1 see if you can get others to give \$2 so that you for sure get \$10 from your group....that's the power of 10!!
- Show "The Power of 10 to the 6th" concept to your friends after viewing the DVD. Use the last page of this flyer or go to the bottom of the DVD order page for a Flash version. Make sure they know what will happen if they keep this going to the next power of 10!
- Help your friends plan their own DVD Screening Party. While at your party, help each friend plan the time/guest list for their own screening party.
- Put your names on the DVD Web Map - Go to ReclaimKids.org/ActionMap and enter your name to show that you viewed the DVD. While you are there, ask your 10 friends if you can enter their names too...that way everyone can all see all the people across the country/world who have viewed the DVD.

HOW DO I KEEP 10⁶ GOING TO THE NEXT POWER OF 10?

It is VERY important to get your friends to do these things while they are still together, at the your screening party RIGHT AFTER they view the DVD and “The Power of 10 to the 6th”.

- Write a Guest List - Ask them each to write down names of 10-12 people to invite to their own 10 to the 6th party. These should be 10 friends they don't have in common with other people at your screening.
- Plan a location/Time for their screening - Have them each think about when/where they could watch the DVD with their 10 friends IN THE NEXT 10 DAYS. Some of them might be able to use each other's houses
- Give them a copy of the DVD to take with them; they are more likely to show it to others if you put the DVD in their hands. If you just can't make that happen, give them this flyer so they know how to order a DVD .
- Write down all their party dates and make sure you know where to contact them the week before their party to see if you can help them with anything.

WHAT IF MY FRIENDS WANT TO COLLECT MORE THAN \$10?

That is great!!! Sometimes people want to give more than \$1 so let them give freely!! An orphan child is educated, protected, clothed and fed for a month for about \$30. Also, if your group wants to do more, organize a “Take it to the Streets” event where you take the issue of African orphans to the streets or malls of your city and ask people for \$1 donations. Find out more at ReclaimKids.org/TakeToStreets.

WHERE DO WE SEND OUR \$\$ COLLECTED?

Send your \$10 or any other you collected with the form below to ReclaimKids, 3189 Princeton Road, Suite 228, Hamilton Ohio 45011; the address at the top of the form. If possible, send a check, if not, wrap cash up inside of a sheet of paper and then put it in an envelope.
